

# Brittany Carter

Web Developer

## Profile

---

I am a web developer who specializes in front-end coding. My passion is taking an idea and coding it into great memorable user experience. <https://brittanyecarter.com>

## Education

---

### B.A.S. Web Development

Arizona State University

GPA: 4.0 Dean's List

May 2021 Phoenix, Arizona

### A.A.S. Web Development

Estrella Community College

GPA: 4.0 Theta Kappa Phi

July 2019 Avondale, Arizona

## Experience

---

### Encore enterprise tax service Web Developer

December 2020 - Present

Create a website using bootstrap incorporating their brand identity which increased sales. Use digital marketing knowledge to create marketing plan. Maintain and update website information which increased their online presence

### Solar Spell UI/UX Intern

August 2020 - December 2020

Created a PhET website with 33 simulations in bootstrap that provided a user-friendly teaching tool that motivated teachers and students. Demo the website to Solar Spell creator and collaborate with the team using Github. Optimized existing websites with Angular to further their goal of an offline digital library.

### Life Health and Wellness Web Developer

November 2019 - August 2020

Created a website that improved their target audience's user experience that lead to the company receiving a grant to further their work
